About St Margaret's School

St Margaret's is a co-educational independent day and boarding school in Hertfordshire offering an outstanding education to pupils from 2 to 18. Set in over 60 acres of beautiful grounds, the School has a reputation for supporting pupil wellbeing whilst nurturing academic talent and progress. In a supportive environment, pupils feel happy and secure and want to learn and do well. Pupils are confident, courteous and considerate.

All benefit from superb teaching by committed subject specialists, underpinned by excellent pastoral care and the School prides itself on working for and with individuals.

St Margaret's was established in 1749 as a charitable foundation to help orphans, specifically the children of deceased clergymen of the Church of England. This was the beginning of the Clergy Orphan Corporation, and of the two schools: for girls, St Margaret's, Bushey and for boys, St Edmund's Canterbury.

The school was initially situated in Southwark, the first of the five locations before its arrival at Bushey in 1897. In 1925, Little St Margaret's was built to provide accommodation for boarders but has since evolved into the Junior School. In 1996, the School architect, John Biswell, transformed old classrooms and common rooms in the main building into a new Library and Resource Centre using design features favoured by Alfred Waterhouse back in 1895.

Also in 1996, St Margaret's became completely independent from the Clergy Orphan Corporation. In 1999 the School marked its 250th anniversary with a grand service of Thanksgiving in St Paul's Cathedral in the presence of HRH Princess Alexandra.

As the School moved into the 21st century, it was graced with the presence of more royalty as the John Owen Sports Centre was opened in 2005 by HRH Princess Anne. Today, St Margaret's is a modern co-educational all-through school, although its history has left an indelible mark on its character and ethos.

“ A small, warm and kind school where children reach their potential in a wonderful setting. Emphasis is on a family feel and making full use of its space, both inside and out.”

GOOD SCHOOLS GUIDE

The Nursery

The Nursery at St Margaret's is for children from 2 years old, during their preschool years, before they start in Reception.

Children immerse themselves in play-based learning in a beautiful, light and spacious space, allowing them to create, play and explore the world around them. The children follow the EYFS curriculum, which focuses on areas including

communication and language, physical development, personal, social and emotional development, literacy, mathematics, understanding the world and expressive arts and design.

Junior School

The purpose-built Junior School is equipped with classrooms designed for pupils to excel in their learning. Pupils aged 4 years to 11 benefit from accessing specialist rooms across the School, such as The Garton Music Building, the Dance Studio and the Performing Arts Centre.

The Junior School has an engaging curriculum and high quality teaching, the children are happy and equipped for a changing world and they seamlessly move into the Senior School. In Y3 and Y4, the children focus on building strong core skills and technology is used as a key part

of the delivery of academic learning. Children in Y5 and Y6 continue to build on the broad and balanced curriculum with an emphasis on core skills, to enhance knowledge and understanding across the curriculum.

Senior School

The Senior School aims to provide an all-round education which is both challenging and flexible, offering small classes, a beautiful spacious campus and optional supervised study until 6pm each evening.

The curriculum is broad and balanced to allow the strengths of different individuals to be discovered and fostered. Regular educational visits and opportunities for residential trips extend knowledge and deepen friendships.

From Y10 to Y11, pupils take their GCSEs and are encouraged to choose varied subjects to maintain the breadth which is a mark of their earlier education.

The Senior School has recently completed the build of a new music centre which, along with a well-equipped performing arts studio and performance space in the main hall, ensures that pupils can enjoy the arts throughout the curriculum.

Sixth Form

From September 2020, St Margaret's Sixth Form went co-educational. With over twenty A-Level subjects to choose from, St Margaret's Sixth Form students have access to a broad range of inspiring and challenging courses.

At St Margaret's Sixth Form, students mature into adults with a set of values, practical skills and the confidence that will stand them in good stead for life. The post-18 pathways preparation programme enables students to learn more and prepare for the next steps into adult life, be that the world of higher education, apprenticeships or entry level jobs.

Typically, pupils gain access to the most competitive institutions, graduate schemes and entry level jobs in the world, having benefited from timetabled university preparation lessons, visits to universities, interview and entrance examination practice and bespoke career guidance.

Boarding

Pupils are welcomed into the boarding house, which is situated within the main school building, from Year 7 onwards. The offering ranges from full, weekly and occasional boarding and full boarders have the flexibility to go home for occasional weekends to fit in with family events.

Weekly boarders have their own bed in School which can be used for 3-5 nights a week by arrangement. Weekend stays and all excursions are available to weekly boarders for a supplementary charge.

Occasional boarding can take the form of one or two nights a week on a regular basis, just the odd night here or there, or a week or two during the year.

Co-curricular & Sport

At St Margaret's there are abundant opportunities to shine, inside and outside the classroom. Every day, pupils from EYFS classes through to Sixth Form take part in all kinds of co-curricular activities, to broaden their experiences and challenge themselves.

With a choice of twenty musical instruments to learn from alone, our pupils can truly say they have an enriching experience at St Margaret's. From academic enrichment clubs to volunteering; football and cricket to ballet; chess to speech and drama; Model United Nations to coding club, pupils are encouraged to push their limits and discover their passions.
